

Exhibition Announcement:
ATX WEST 2022

Janome Industrial Equipment USA, Inc. is exhibiting at ATX WEST 2022, at Anaheim Convention Center, Anaheim, California.

Please visit our booth and get a hands-on look at the latest servo presses and robots with demonstrations of various applications!

Models on display include the JP-5 Series Electro Press, the JR3000 Series Desktop Robot, and JC-3 Cartesian Robot.

Applications include PCB cutting (depaneling), screw-tightening and dispensing.

We'll have live demonstrations and conversations (in English & Japanese) about what's next in robotics. Whether you are in the mobile device, automotive, defense, aerospace, medical device, or another industry using fine processes, please visit the Janome Industrial Equipment booth and see how we can help.
